Released at the request of the Frost family

## **Family wishes for news media coverage Staff Sgt. Christopher S. Frost funeral services**

The family of U.S. Air Force Staff Sgt. Christopher Frost requests that news media organizations covering Staff Sgt. Frost's funeral allow an appropriate degree of privacy and the opportunity to mourn their loved one a reasonable distance from news media coverage.

Funeral services for Staff Sgt. Frost will be held Thursday, March 13, 10 a.m. at Church and Chapel Brookfield, 380 Bluemound Rd., followed by a graveside service at Prairie Home Cemetery, both of Waukesha.

### **INTERVIEWS**

The Frost family will not be available for any news interviews. Please do not contact family members with interview requests. Interview requests will be declined.

### **VISITATION AND FUNERAL SERVICE**

No news media will be allowed inside the funeral home during visitation or funeral services. Cameras may set up across the street off the funeral home grounds.

### **OUTSIDE THE FUNERAL HOME**

News media are asked to stay off the funeral home grounds so that cameras are kept a reasonable distance from family members as they enter and leave the service.

### **CEMETERY**

The family requests that news media coverage of the graveside service is done in a way that ensures a reasonable degree of privacy for the family. All news media covering the graveside service will be expected to set up in an area far enough from the family to give them the privacy they need.
